Meeting Your Goals for Preventing Venous Thromboembolism

Objectives

- To learn about BC's Clinical Care Management strategy and how it will support VTE improvement
- To share the rationale and review the evidence for VTE prevention
- To learn from the successes of others in the implementation of VTE prophylaxis programs
- To share knowledge, resources and tools for meeting targets for Accreditation Canada's VTE ROP
- To anticipate barriers in VTE prevention and discuss solutions
- To move ahead in implementing improvement or spreading change throughout your organization

Speakers

- **Dr. Bill Geerts**
Thromboembolism Consultant, Departments of Medicine and Quality and Patient Safety, Sunnybrook Health Sciences Centre
Professor of Medicine, University of Toronto
