Four Principles of Unconferences

1. Whoever comes are the right people.
2. Whatever happens is the only thing that could have.
3. Whenever it starts is the right time.
4. When it is over, it is over.

The Law of Two Feet

If participants find themselves in situations where they are neither learning anything or contributing anything they are responsible for moving to another place.

Have a Great Time

If it isn't fun, it isn't working!

There is no agenda until we make one up!
