Member remuneration varies for the following reasons:

Additional Meetings

For the 2018/2019 fiscal year, five (5) formal Council Meetings were conducted. Some Council Members also attended additional meetings to help support the Council's operational and strategic planning, annual awards program and strategy learning programs.

Availability

Members vary in their availability to attend meetings. The date of appointment also contributes to the number of meetings a Council member is available.

Location

Some members live outside of Vancouver. These members primarily attend Council meetings in-person; however, they can attend by teleconference when an in-person meeting is not possible.

Appointment Date

Periodically throughout the year, new members are appointed and some existing appointments expire.
