

Type 2 Diabetes Dialogue

Creating Connections for Change

NOVEMBER 18 + 19, 2020

VIRTUAL TWO HALF-DAY EVENT

Objectives:

Emerging practice - Share emerging and leading type 2 diabetes prevention and management practices and identify opportunities to strengthen and accelerate their use

Connection - Foster connections between stakeholders to build relationships and facilitate collaboration across BC

Network - Collaborate on building a shared purpose and approach to a BC type 2 diabetes network designed to strengthen knowledge sharing and continuous improvement

Mobilize - Identify activities focussed on reversing the course of type 2 diabetes to be pursued through action groups
